

## New York - October 2018 – by Jayne & Rachael from Lincoln

We have just returned from a holiday in New York which Premier Travel Bexhill arranged for us. We pre-booked tickets with The Big Red Bus Company for a 2-day pass which included a river cruise with The Circle Line along the River Hudson and to see The Statue of Liberty this was all included in the ticket price and you could hop on and off

wherever you wanted on those 2 days. The bus service was excellent, very informative and the drivers and agents on the buses most helpful and courteous all questions were answered. The buses dropped off nearby all landmarks on these buses you are never far from anywhere.

Places we visited were Ground Zero Memorial, New World Trade Centre, also nearby there is a huge shopping mall called Westfields. We also went on a bus night tour which is also included in the price this took you through Manhattan towards Brooklyn Bridge and went over Manhattan Bridge to see views of New York all lit up a fantastic sight, in our opinion this is the best way to get around to see New York and all its sights.

Landmarks we went to using this bus service included Central Park, New York Library (where Ghostbusters was filmed) The Empire State Building, Grand Central Station, The Chrysler Building, Times Square, Battery Park, Bryant Park, 5th Avenue (for the shoppers) The Flat Iron Building, Wall Street, plus so much more these are just some of the places we went to all this with a 2-day pass, well worth the money.

We found some great eatery's firstly our hotel, The Skyline has a restaurant and we had breakfast there which was very good. There was a deli opposite the hotel which sold various hot food snacks etc again great hot food and great prices other places we ate at were Panera Bread my absolute favourite place excellent

food soups sandwiches and salads etc this is on 5th avenue and there is also one on 7th avenue the one we went to on 5th is right next to the Empire State Building. Theatre Row Diner is another great choice which is on 10th avenue

42nd St. Panda Express Chinese takeaway or you can eat in this is on 9th avenue 46th St. Good prices, also a very nice Cafe called Capital and it is part of Times Square Plaza Hotel New York. These are the places we ate in, not pricy at all and great food, there are many places to eat and some are very expensive, but we

doesn't have to cost a lot so look around, we were very happy with our choices, Panera Bread is a must do! As for our Hotel Skyline on 10th avenue it was an excellent choice by Premier Travel, hotel and staff fantastic we had a nice big room with a view over towards Times Square which at night time all lit up was just amazing, also the hotel had a swimming pool we couldn't have wished for better we have no complaints at all. All in all, an amazing holiday experience which we would advise anyone who are thinking of going to just do it you certainly won't regret it!
